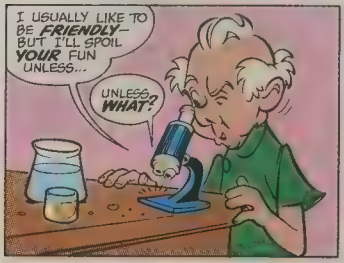
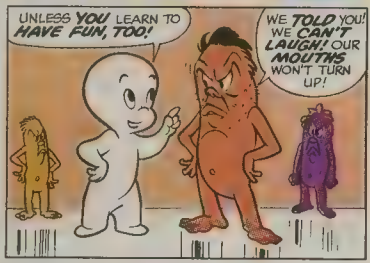
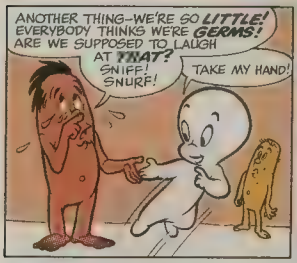
JUST BECAUSE YOU CAN'T LAUGH, YOU GO AROUND SPOILING OTHER PEOPLE'S FUN!
SO WHAT?!



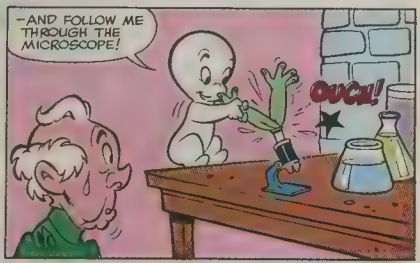
I USUALLY LIKE TO BE FRIENDLY— BUT I'LL SPOIL YOUR FUN UNLESS...
UNLESS WHAT?



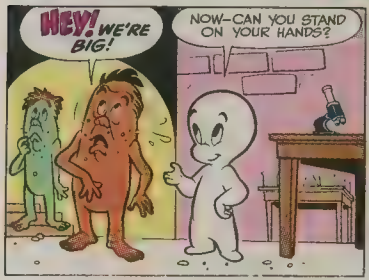
UNLESS YOU LEARN TO HAVE FUN, TOO!
WE TOLD YOU! WE CAN'T LAUGH! OUR MOUTHS WON'T TURN UP!



ANOTHER THING—WE'RE SO LITTLE! EVERYBODY THINKS WE'RE GERMS! ARE WE SUPPOSED TO LAUGH AT THAT?
SNIFF! SNURF!
TAKE MY HAND!



—AND FOLLOW ME THROUGH THE MICROSCOPE!
OUCH!



HEY! WE'RE BIG!
NOW—CAN YOU STAND ON YOUR HANDS?

SURE!
THAT'S EASY!

LOOK AT EACH OTHER! AREN'T THOSE LAUGHING FACES!
YES! HA! HA!
HEE HEE!
WAIT A MINUTE! WE'RE LAUGHING AT OURSELVES!
SO? I DO IT ALL THE TIME!
SEE?
HA. HA!
HEE, HEE!
HA. HA, HA!
YOU START BY LAUGHING AT YOURSELF AND THEN EVERYTHING SEEMS FUNNIER!
WELL, MR. SCIENTIST- YOU AND THE GREMLINS CAN MAKE THIS A REALLY HAPPY HOUSE!
AH, THANK YOU, CASPER!
AW-THAT'S ALL RIGHT!
UH-CASPER, WE THANK YOU, TOO!
HEY! LISTEN! SOMEBODY ELSE IS TRYING OUT FOR THAT JOB!
HA HA HA HA HA HA!
I HATE TO DISAPPOINT YOU- BUT THAT JOB'S BEEN TAKEN- FOR GOOD!
HUH?
THE END

The mail I've received from all you fans out there is stunning. Not only are you excited about the many new magazines we've recently started, but you've also shown an incredible interest in our creators. Both the new ones and the old ones.

As far as those new comics are concerned, be on the lookout for (and I would suggest you pre-order and reserve!) ULTRAMAN and for STUNT DAWGS. We think you'll want them both.

ULTRAMAN, by the way, is the first of a 3-part series that we believe is only the lead to an ongoing one. The direct market version of ULTRAMAN #1 has a special cover that we think is one of the most unique covers ever printed. Hand painted by super artist and fan favorite, Ken Steacy, it is a cover—believe it or not—without a logo! (You read that correctly! Without a logo or price or any marking. It is all drawing and you'll love it. So how will we identify it, you may well ask. We promise you, you will.)

This is without a doubt a prized collectors' item, and as such is packed with an ULTRAMAN special monster trading card inside a quite refvealing polybag. The newsstand version, by the way, will have the Ken Steacy cover with logo and all cover information, so you might want to own them both!

And all that doesn't yet say a word about the insides. Written by Dwayne McDuffie and penciled by Ernie Colon—a team that has brought you so many miracle moments—it is an exciting and action-packed saga that will thrill you from the first panel and only get better. Beginning right after the current ULTRAMAN series on television, it contains the giant superhero's greatest battle ever against a force of escaped cosmic monsters as well as the truth of ULTRAMAN'S origins. It all begins in ULTRAMAN #1!

Also on exhibit this month in the Harvey classics are stories drawn by Harvey greats Warren Kremer, Howie Post and that same Ernie Colon (in a completely different style) and stories by Ralph Newman, Stan Kay and Lennie Herman. In the very near future, I'll have some words to say about Ralph, Stan and Lennie and some other terrific Harvey writers. And I don't think there are any better than these guys.

Remember, too, to look for those other popular Harvey titles on sale now. SAVED BY THE BELL is not to be missed. Based on one of TV's most popular of all series, it features more smart and controversial material starring those six teen-age heart-throbs—Zack, Slater, Kelly, Lisa, Jessie and Screech. It's a teen-age world that's laughable, lovable and too true to life.

Don't miss any of those other Harvey titles now on newsstands and comic stores everywhere. Richie Rich, Casper, Hot Stuff, Wendy, Spooky, Baby Huey, Little Dot, Lottie Lotta and Little Audrey, as far as those Harvey classic titles are concerned. As well as Tom & Jerry, Woody Woodpecker, Beetle Bailey, the Flinstones, Yogi Bear, Scooby Doo and the Hanna-Barbera specials that include all your favorite H and B characters in one package.

And don't forget to keep those letters and comments coming. They're important, and we read them all.

Before I say good-bye this month, I'd like to say a few words about Hy Rosen, who died at a much too early age this past summer. Hy, who did the pencils to all of SAVED BY THE BELL and so much of NEW KIDS ON THE BLOCK, was one of the finest teen-age style artists in comics. He was also a very important artist and executive in the advertising world. While his work will be so sorely missed, more important his person—and there was never a more decent and kind man—will be even more painfully missed. But his work on these pages and his person in so many of our memories will live, at least, for long, long years.

# and we get letters...

Dear Lotta,
What made you so strong? Were you born like that or what? I've always enjoyed reading comics, especially yours. It would be nice if you would show more of your relatives in your next issues. I was also wondering if you had any more friends besides Dot?
Your number one reader, Emilie Gooch
Bemidji, MN

***Dear Emilie,***
***Whenever Dot's not around, Emilie, I always try to find my very smart friend Herald! While Herald may have the brains, I definitely have the brawn, and the reason I'm so strong is I eat so much. Even when I was just a baby, I ate a dozen eggs for breakfast! And by the time I was two, Emilie, I could lift my father's chair—with my father in it!***
***Your pal, Little Lotta***

Dear Harvey Comics,
I've just read a Richie Rich comic book. I love it!!!!! I'd like to start comic book collecting. Do you have any tips on starting a good comic book collection?
Sincerely, Joe Marier, age 9
Herndon, VA

***Dear Joe,***
***One of the best ways to start a comic book collection, Joe, is to ask you parents and their friends if they have any old comics books they can give you! When I asked my dad if he had any old comics, he showed me an old trunk of his that had every Harvey comic ever published in it! For newer comics, I suggest using the handy-dandy subscription form that can be found in this comic book! That way even if the stores sell out, you can be sure to get your favorite Harvey comic book!***
***Your friend, Richie***

Dear Casper and friends,
My name is Amara, and I am 7 years old. I like your comics. I got my first three comic books one year ago. My hobby is collecting seashells.
Your fan, Amara Cunningham
Keene, NH

***Dear Amara,***
***Every summer the Ghostly Trio and I go seashell hunting at the beach, Amara! But while I only pick up the clam shells that have washed up on the beach, the Trio finds the ones with the clams still in them and scares them out! I told them to be careful, but they didn't listen until that giant clam bit Fatso on the foot! Thanks again for the letter, Amara, and remember to always wait until the clam is done with its shell before you collect it!***
***Your friend, Casper***

Dear Baby Huey,
How are you? I'm fine. How old are you? I am 11 years old, and my birthday is in March. My mom and I think you are really cute. How did you get to be so big and isn't hard to find diapers that big? Anyway I like the way you walk, and I can walk just like you! My grandma says you're really funny, and every time we watch you're tape it makes us laugh. Okay a couple more questions: do you have any brother or sisters? And last but not least, what is your favorite color?
Yours truly, Sophie Kopczewski
Downsview, Ont. Canada

***Dear Sophie,***
***Oh, boy! Oh, boy! I got a letter with lots of questions! I will try to answer your questions one at time, Sophie! First, I am this many fingers old! Fourth, I like the color of the rainbow after it has rained! Third, my momma sews four diapers together to make mine! And second, I eat a lot! I hope all my answers helped answered your questions, Sophie! My teacher never understands my answers, and I can't understand why!***
***Your friend, Baby Huey***

Dear Richie,
I have been reading your comics for a long time, and I especially like the stories where you play football. My favorite team is the Oklahoma Sooners, and I play football too. I have a lot of friends who like play football, and their names are Earnest, Harold, Ayumi and Rob. Rob's not that good but he tries hard.
Your pal, Todd Corn
Oklahoma City, OK

***Dear Todd,***
***Most of my friends like to play football too, Todd, especially after my dad built us a full size football field on the Rich estate! The only person who doesn't like to play is Reggie! He doesn't like anything that has to do with exercising, so the last time we played he sent in a robot double! It worked until the robot picked up Reggie instead of the football and ran for a touchdown! The robot—and Reggie—didn't stop until they ended up in Rich Lake!***
